Alastair MacLennan is; Emeritus Professor in Fine Art, University of Ulster, Belfast, Northern Ireland; Honorary Fellow, Dartington College of Art, Devon England and Honorary Associate, National Review of Live Art, Glasgow, Scotland. His live works address discrepancies in world ideologies and world actualities with actuations (install-actions) formulated so that viewers/participants become implicated in its meaning and resolution rather than remaining at the periphery. <http://www.vads.ac.uk/collections/macLennan>
